

New York Elks Camp Bristol, Inc.
a 501 (c) 3 Corporation
54 Elks Way
West Monroe, N.Y. 13167

Dear Lodge Exalted Ruler,

Camp Bristol is proud to host the third annual Camp Bristol Golf Tournament, taking place on October 2 at Greenview Country Club in West Monroe, N.Y. Golf will be followed by a dinner that will take place at Camp Bristol which is a short drive from the course. This event is a major fundraiser for Camp Bristol, as proceeds from the tournament will go toward veterans and youth activities hosted at the camp.

As Exalted Ruler, we are asking for your assistance to help spread the word about this event. Enclosed with this letter is the golf team sign-up information. Registration is \$80 per person (\$320 per foursome; one member of each team needs to be an Elk member.) 18 holes of golf, cart, skins, lunch, dinner and cash prizes are included in the entry fee.

Also included with this letter is tournament sponsorship information. A \$500 charitable benefactor donation will go toward sponsoring the dinner at Camp Bristol following golf while a \$300 will sponsor lunch at the course. There are also opportunities for a \$100 tee sponsorship. This will include a sign at a tee to highlight your donation. These donations are welcomed from individual members, lodges, associations (PER, PDD, etc.) and local businesses.

We appreciate all donations for our annual tournament. Camp Bristol is a 501 (c) 3 organization, so monies from Games of Chance accounts are eligible to be used for donations, as well as charity and grant monies.

This golf tournament is a great event and a fantastic way to spend time with fellow Elks and friends, while raising money for veterans and youth activities. We ask that you share the enclosed information with the members of your lodge. We appreciate tournament entries and donations by September 26. If there are any questions regarding tournament participation or sponsorship opportunities, please contact Scott Hirst at 315-804-3512 or Mike Bloss at 518-779-5589.

Sincerely,

Mike Bloss, PSP
Scott Hirst, PDD
